## Tour of Alloy Processing a PCC Company

Presentation by:

**Corey Williams**  
General Manager

### Meeting Schedule:

7:30: Registration, Networking and Breakfast  
8:00: Meeting starts  
8:15: Presentation  
8:35: Tour begins  
Between 9:35 & 10:00: Tour and Meeting ends

### The Tour

Started in 2013 and completed in 2015, [Alloy Processing's](#) acquisition and build-out of the 100,000 square foot W Artesia Blvd facility contains state-of-the-art equipment capable of processing parts of nearly any size and configuration.

On the tour, we will demonstrate our large part processing capabilities through the 50' x 4' x 12' processing line, NDT department, two (2) large paints booths, two (2) large curing ovens, and our newly operational shot peen department. Alloy Processing believes no other facility on the west coast can offer capacity of this size and a true "One Stop Shop" under one roof to the aerospace industry."
