Tour of March Air Reserve Base

Have you ever seen a C-17 up close and personal? What about a KC-135 or a F-16 Fighting Falcon? Join us for a tour of March Air Reserve Base in Riverside County. This is a 4 hour tour which will take us to points of interest on the base, including the three aircraft shown above.

Lunch will be available for purchase at the base. The base is large and we will be shuttled around to different areas. You will not be able to leave before the event is over (after lunch) so please plan accordingly.

Meeting Schedule:

0900: Arrival APS parking lot
0910-1000: C-17 Globemaster III
1010-1100: KC-135 Stratotanker
1110-1200: F-16 Fighting Falcon
1210-1300: Lunch at [Back Street Grill](#) (attendees buy their own lunch)
1300: Return to parking lot and end of event.

Note: Tour stops are subject to change based on March ARB operations.

[March Air Reserve Base](#)

[March Air Reserve Base](#), previously known as March Air Force Base, is located in Riverside County, California between the cities of Riverside and Moreno Valley. It is the home to the Air Force Reserve Command's 4th Air Force Headquarters and the host 452d Air Mobility Wing, the largest air mobility wing of the 4th Air Force.

Since 1995, March ARB has hosted alert site operations of the California Air National Guard's 144th Fighter Wing, which is also operationally-gained by Air Combat Command. Prior to 2013, the 144 FW stationed F-16 Fighting Falcon aircraft. Following the wing's transition to the F-15 Eagle, the 144 FW now stations an air defense alert detachment F-15C/D Eagle aircraft at this operating location in support of USNORTHCOM and NORAD.

Civilian agency flight activities include a permanently based U.S. Customs and Border Protection Air Unit, as well as a California Department of Forestry air unit that uses the base on an intermittent basis.

Dragon Flight is a civilian formation flight demonstration team, based at March, sponsored by the March Field Aero Club. The team uses the T-34 Mentor, making numerous appearances throughout the southwest United States each year.

June 8, 2016 Meeting

- [Click here](#) for directions. Use these directions. DO NOT GPS THE BASE. GPS does not give correct directions.
- Parking: The easiest way to get there is to take the I215 and exit Cactus. Take Cactus East and the first entrance on the right goes into the base. The Base is at the intersection of Cactus and Ellsworth. After going through gate, make first right turn you can into the parking lot and wait for the bus to arrive.
- Have your ID, car insurance and car registration handy when pulling into the base. You will need all of these to get on the base. You will not be allowed on without these items.
- Please don't be late. We will be on a tight schedule to see everything planned, so the bus will leave on time at 9:00am. Once everyone who is there gets through the security measures, we'll leave. Once the bus leaves people will not be able to join the tour.
- Wear flat shoes. Please do not wear heels or open toed shoes. Bring a jacket just in case, the flightline can be windy.
- Bring water.
- You will not be able to leave the event early. We will be bused around on base, and you will not be able to leave early from the tour or lunch. Please plan your day accordingly.
- Photos are fine, except at the F16 fighter jet.
- This may seem obvious, but please don't bring any weapons on base, including pocket knives. No guns. This is a government facility.
- After the tour, lunch will be available for purchase.
- Bring a business card - they will be duplicated and everyone be e-mailed a copy of all attendee's cards

- Introductions will be minimal - your name, company, industry, and a 5 word "elevator speech". We encourage you to be creative!

Feel free to pass this invitation on to others you think would be interested.
