Santa Clarita Valley Chapter Meeting

New Date: Friday, September 23, 2022

In-Person Meeting: 7:30-9:00 am Pacific Time

[Click here to register](#)

This is the event originally scheduled for August 23. Registrations for the event on that date are good for the September 23 event.

Both members and non-members must register to attend.

Attendance is limited to twenty (20) attendees and members of the local A&D manufacturing community will have priority. Masks are encouraged when in the conference room. Masks not needed during the tour.

Registration Fees

Free - A&D Forum member & Corporate Members

\$30 - Non-member (until September 16)

\$40 - Non-member (after

Presentation and Tour of Sunviar Aerospace

Please join us on Tuesday, August 23, for networking, presentation and a tour of Sunviar Aerospace in Valencia. This is a great opportunity to meet and network with fellow SCV A&D industry executives, as well as see a large-scale landing gear operation. Sunviar has military, commercial, and business jet customers, including Boeing, Lockheed, Delta, Southwest, and Alaska.

Sunviar's state-of-the-art 101,000 square foot facility handles the entire landing gear overhaul process under one roof. This includes Disassembly, Inspection, Non Destructive Testing, full Plating operation, Paint, Assembly and Hydraulic testing. With capacity from the largest cylinders to the

September 16)

You will receive multiple invitations, regardless of whether you have already registered. Please do not register more than once!

Please register as an A&D Forum member **ONLY** if you have a currently active membership. Claimed memberships will be verified before the meeting and erroneous registrations will be cancelled.

September 23, 2022 Meeting

- **Park at the lot at 27333 Muirfield Lane, Valencia, CA.**
- **COVID restrictions: For close contact in the conference room masks are highly encouraged. During the tour they won't be needed.**
- During registration you will be asked whether you want your contact information distributed to other attendees.
- Bring a business card - they will be duplicated and everyone will get a copy of all attendee's cards.
- Introductions will be minimal - your name, company, industry, and a 5 word "elevator speech". We encourage you to be creative!

Schedule

smallest pistons and all the necessary machinery, equipment, and personnel in one location, they control the overhaul process from beginning to end, leading to faster turnaround times, the best quality and lower costs for their customers. They have FAA, EASA, NADCAP and AS9100 certifications.
