“Presentation and Tour of FMI Aerostructures”

Santa Clarita Valley Chapter Meeting

Tuesday, April 25, 2023

In-Person Meeting: 7:15-9:00am Pacific Time

[Click here to register](#)

Both members and non-members must register to attend.

You will need to bring the following to attend:

- Proof of US citizenship or Green Card
- Safety Glasses (some will be provided)
- Safety Toe Shoes (some slip on safety toes will be provided)

Attendance is limited to twenty (20) attendees and members of the local A&D manufacturing community will have priority.

Registration Fees

Free - A&D Forum member & Corporate Members

“Presentation and Tour of FMI Aerostructures”

Please join us on Tuesday, April 25, for networking, presentation, and a tour of FMI Aerostructures in Valencia. This is a great opportunity to meet and network with fellow SCV A&D industry executives, as well as see a large-scale structures and machining operation. FMI supports military, space, and commercial programs. Their key customers, include Boeing, Lockheed Martin, Northrop Grumman, and Blue Origin.

\$35 - Non-member (until April 18)
\$45 - Non-member (after April 18)

You will receive multiple invitations, regardless of whether you have already registered. Please do not register more than once!

Please register as an A&D Forum member ONLY if you have a currently active membership. Claimed memberships will be verified before the meeting and erroneous registrations will be cancelled.

April 25, 2023 Meeting

- Attire is business casual.
- Masks are optional.
- FMI has limited visitor parking in their lot next to their main entrance. Visitor parking will be first come first serve. There is plenty of parking on the street on Ave Mentry and Ave Kearny.
- A light continental breakfast will be available starting at 7:15am.
- Bring a business card - they will be duplicated and everyone will get a copy of all attendees' cards.
- Please do not distribute any material during the meeting.
- Introductions will be minimal - your name, company, industry, and a 5 word "elevator speech". We encourage you to be creative!
- The meeting will consist of the presentation and a tour.

FMI Aerostructures has comprehensive manufacturing and assembly capabilities housed in its state-of-the-art 240,000 sq. ft. facility. With 3,4,5 & 6-axis vertical and horizontal machining, they are approved for fracture, durability, maintenance, and flight science critical components. In addition to its core offering of complex manufacturing of components and assemblies covering most alloys and parts of any size—they also offer a variety of value-added services such as assembly and supply chain management.
