October 26, 2023 Meeting

- Attire is business casual.
- Masks are optional.
- Parking is in front of the building.
- A light continental breakfast will be available starting at 7:15am.
- Bring a business card - they will be duplicated and everyone will get a copy of all attendees' cards.
- Please do not distribute any material during the meeting.
- Introductions will be minimal - your name, company, industry, and a 5 word "elevator speech". We encourage you to be creative!

Please join us on Thursday October 26, for networking, presentation, and a tour of Aero TMF in Valencia. This is a great opportunity to meet and network with fellow SCV A&D industry executives, as well as see a local surface finishing operation. Aero TMF supports military, space, and commercial programs. Their key customers, include Eaton, Northrop Grumman, and NASA.

Aero TMF has comprehensive metal processing, paint, coating and NDT capabilities and is NADCAP certified. They are a one stop shop for many processes, with a focus on mission critical parts.

Presenter

Yocelyne Gomez a skilled Bilingual General Manager who possesses a wealth of hands-on expertise in all business aspects of a manufacturing operation. She has decades of experience in the

Aerospace and Defense industry.

Yocelyne has been instrumental in ensuring the organization is NADCAP and ISO complaint. She is currently working on obtaining FAA certification for the organization.

Yocelyne received a Bachelor of Science and a Master's degree in Business Administration from California State University Los Angeles.

- The meeting will consist of the presentation and a tour.

Feel free to pass this invitation on to others you think would be interested.
